

# Palliative Care for the Older Person

## A course in Palliative Care for Registered Nurses

RSL Care, a leading Queensland not-for-profit provider of aged care services, delivers this course in partnership with the Australian Catholic University (Qld) School of Nursing.

### Course content includes:

- Principles of palliative care for older people
- Person-centred care and holistic care
- Ethico-legal issues
- Enhancing quality of life
- Using therapeutic approaches to enhance quality of life

### University credit:

- 10 credit points towards either Graduate Certificate in Clinical Nursing (Palliative Care) or Graduate Certificate in Clinical Nursing (Aged Care) at ACU
- Credit as an elective unit at other universities
